

# National Poll on Children's Health

## Concussion Education – Survey Questions

Questions were answered by parents with a child age 10-17.

Q1. Some communities have started to provide parent education about concussions through schools or sports teams.

Have you participated in any of the following parent education activities through your child's school or sports team?

Yes	No	Don't recall
1	2	3

1. Received an information sheet or brochure
2. Read online information
3. Attended a presentation
4. Watched a video
5. Signed a waiver or permission form

Q2. How useful was this information in explaining what you should do if your child gets a concussion?

- Very useful..... 1
- Somewhat useful..... 2
- Not useful..... 3

Q3. If your child fell at school and had a possible concussion, how confident are you in your ability to make good decisions about the following.

Very confident	Somewhat confident	Not very confident
1	2	3

1. Checking if symptoms are getting better
2. Allowing child to return to school
3. Allowing child to return to full activity
